| Leg dimensions                 | 2" by 3"              |

- HAT Contract tables have a steel frame construction and are strong and durable. They offer a 350 lb load capacity and carry a 5 year warranty on electrical and mechanical components and lifetime on the frame.
- HAT Contract tables are powered by dual motors (three for our L shaped bases). They are housed within each leg and are synchronized so that the table adjusts smoothly and accurately every time. HAT motors are quiet and fast. Our motors carry a 5 year warranty.
- HIHAT bases adjust from 23.75" to 49" which provides maximum range of adjustment and meets BIFMA requirements. Our MIDHAT frames adjust from 27" to 46.75"
- HAT Contract table bases have a powder coated silver finish for long and durable wear.

# Dual Monitor Arm

## Product Details

- Patented Quick Connect allows fast, simple assembly
- 24" of back and forth movement
- 24" of height adjustment for sit to stand applications
- The arm swivels 360° around the base, increasing the options for display position
- Desk clamp and grommet mount hardware are included to minimize SKUs
- Clamp and grommet adjustable to fit most desks and work surfaces
- Monitor mounting bracket contains both 75mm and 100mm hole patterns to comply with VESA standards
- 180 degree tilt, 180 degree side-to-side, and 360 degree landscape-to-portrait movement
- A choice of finishes - Silver or Black
- Cable management system
